---

## EDUCATION

---

### Lone Star College Tomball

Associates of Science GPA 4.0

### Texas A&M

Bachelors of Science in Computer Science

## WHY ME

---

- Detail-oriented Computer Science student
- Background in military aerospace maintenance
- Hands-on software experience, and certifications in aviation and digital tools.
- Eager to leverage technical, problem-solving, and team-based skills (in contributing to the mission at SpaceX as a Software Engineer for Flight Software.) Remove this

## CERTIFICATIONS

---

- **Leadership**
  - Acted as Lead Crew Chief during several high-stress military operations, ensuring readiness and team coordination under tight deadlines.
- Conflict Resolution
- Forklift Certified
- CPR
- Adobe Premiere Pro Editor

## SKILLS

---

- **Programming Languages:** C++, Python,
- **Software Development:** Embedded Systems, Real-time Systems, Distributed Computing
- Tools: Adobe Premiere Pro and Linux
- Critical thinker with first-principles problem-solving skills developed through aerospace maintenance and real-world experience.
- Able to work effectively in dynamic, high-responsibility environments and committed to contributing to SpaceX's goal of enabling human life on Mars.

## PROFESSIONAL EXPERIENCE

---

### United States Air Force

#### Crew Chief, F-22 Aircraft Maintenance

January 2020 – January 2024

- Supervised and maintained the operational readiness of F-22 Raptor aircraft, ensuring mission-critical systems were consistently optimized.
- Diagnosed and repaired mechanical, electrical, and software-integrated issues in high-pressure environments, promoting safety and operational excellence.
- Coordinated with engineering teams to develop and implement system-level repairs, often involving advanced troubleshooting of control and avionics systems.

### Nordstrom

#### Sales Associate

September 2019 – January 2020

- Delivered exceptional customer service in a high-paced retail environment.
- Enhanced problem-solving and communication skills through daily customer interactions.

### Journeys

#### Sales Associate

June 2019 – January 2020

- Assisted customers in product selection and managed point-of-sale transactions.
- Strengthened team collaboration skills by working with diverse teams in dynamic environments.

### Wendy's

#### Kitchen Lead

June 2018 – December 2018

- Supervised kitchen staff, overseeing food preparation, order accuracy, and timely service.
- Maintained high standards of cleanliness and organization, improving overall kitchen efficiency.

### Burger King

#### Kitchen Lead

September 2017 – June 2018

- Led kitchen operations, including food preparation, cooking, and quality control in a fast-paced environment.
- Managed team members and delegated tasks to ensure smooth service during high-volume shifts.
